Tulsa Geological Society, new officers 17
Turmelle, Thomas T. — Lithostratigraphy and Depositional Environments of the Moorefield and Hindsville Formations (Middle and Upper Mississippian), Adair County, Oklahoma [abs.] 157
Tway, Linda E. — Geologic Applications of Upper Pennsylvanian Ichthyoliths from the Midcontinent Region [abs.] 82
University of Kansas, publishes Bromide echinoderm monograph 205

University of Oklahoma, The
dean of College of Geosciences named 204
director of Energy Center named 204
energy-research contract awarded OU by Venezuela 235
ISP awarded DOE computer contract 183
new drilling-muds-study program 238
new theses 65, 206
OGS-sponsored theses available for examination 230
sour-gas-treating plant 179
uranium, open-file reports 212, 214, 240
U.S. Board on Geographic Names decisions 13, 214
U.S. Department of Energy
awards contract to ISP 183
coal-reserve-base report 25
NURE hydrological reports 212
U.S. Geological Survey
Geographic Names Information System 24
*Geologic Map Index of Oklahoma* 231
hydrologic atlases released 62
increases map prices 14
*Preliminary Metallogenic Map of North America* 66
Provides magnetometer for OGO 234
publications 14, 21, 27, 61, 62, 66, 67, 152, 155, 208, 231, 240
*Seismicity Map of the State of Oklahoma* 61
*The Geologic Story of the Great Plains* 144
